Nissan Forklift

Nissan takes immense pleasure in achieving total consumer satisfaction, when their consumer is experiencing one of their various products including cars, trucks, and lift trucks. Nissan Motor Co. Ltd is the parent company to Nissan's Forklift division. They are fully committed to delivering high value and meticulous quality values to their clients. Incorporating a fruitful heritage combined with resilient manufacturing principals, Nissan Forklifts provide many of the finest materials handling equipment the industry has to offer.

Nissan Forklifts has recently added a European production warehouse in Sweden to sustain their worldwide forklift demands. Dedicated to providing customer support, the company has four distinct manufacturing facilities that allow them to continually adapt to their customers continually evolving wishes by providing a variety of modern ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are dedicated to the design, manufacture, and support of their lift truck products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this enables sectors of the Nissan Forklift Operation to sustain environmental accountability by using methods and processes that reduce their environmental footprint. These high standards remind consumers that Nissan operates under the quality seal that their consumers require while being an environmentally responsive organization.

Nissan is quite certain that any of their consumers questions and client worries directed towards them can be fully addressed. Always available through their website or by calling 800.871.LIFT, reaching one of their locally authorized dealers or even traveling to their Midwestern office, Nissan Forklift Corporation is certain you will be impressed with their hospitality and dedication.
